New on the charter market since September 2015, superyacht JADE 959 has showstopping powerful lines and exterior by renowned Espinosa

Yacht Design. Central Yacht created a contemporary interior in muted neutrals. Italian cachet is added with fashion house Fendi custom-made sofas and chairs with soft leather furnishings.

The 52-m JADE 959 accommodates 12 guests in 6 cabins of which 2 Master 'family staterooms' with an optional extra sofa bed each. Her enormous interior space includes a spacious (business) lounge adjoining the VIP Master, separate dining and breakfast/play rooms and a yoga/ massage room.

Children and adults alike will enjoy the Jacuzzi and the comfy-cushioned loft with play stations and superb panoramic view. There is a state of the art entertainment system including MBL radial speakers.

For active guests there are plenty of water toys and water sports activities available, including scuba diving. JADE 959 is one of the few charter yachts of her caliber available in Southeast Asia (Thailand, Myanmar (Burma), Philippines and Andaman Islands). She will be in the Maldives from December until March and is still available for a New Year charter. She will be available in El Gouna in April and in the South of France for the 2016 summer season.

JADE 959 is ideal for two families with children, a corporate cruise or a holiday with friends.
