A masterpiece of design and performance built in the American shipyard Palmer Johnson and designed by the famous Nuvolari & Lenard.

This sleek, sporty and elegant motor yacht of 46m, launched in 2009, is unique on the market with not only her "SILVER WAVE" color but also her active and futuristic lines.

Every detail has been considered and she offers a complete comfort with state of the art facilities and zero speed stabilizers.

The yacht features an emphasis on a quiet, low vibration ride.

She is a perfect family charter yacht and can accommodate up to ten/ twelve guests in one Master en-suite cabin, two double en-suite cabins and two twin en-suite cabins (in which each possess a pullman bed).

M/Y Silver Wave is one of the rare 150ft+ sport superyacht available for charter with her striking metallic hull houses, an open plan salon and 5 luxury cabins.
